Arizona Competitive Power Alliance letter in support of the testimony of Mary Lynch, witness for Alliance Members: Noble Americas Energy Solutions LLC, Constellation NewEnergy, Inc., Direct Energy, LLC and Shell Energy North America (US), L.P. in DOCKET NO. E-01345A-11-0224.

Commissioners and Interested Parties:

The Arizona Competitive Power Alliance (AzCPA) writes this letter in support of the testimony of Mary Lynch in which she describes (i) how the GSP Parties intend to proceed in offering service to prospective customers under the Rate Schedule AG-1 program and (ii) the potential benefits to prospective customers and the general public under the Rate Schedule AG-1 program.

The AzCPA is a not for profit corporation founded in 2001 and comprised of a broad coalition of members that are working toward competitive energy markets. Ms. Lynch is testifying on behalf of a subset of AzCPA members and her testimony describes the benefits of the APS Settlement and answers specific questions about the implementation of and advantages of the AG-1 rate schedule.

The AzCPA supports Ms. Lynch's testimony and looks forward to the opportunity to support both her testimony and the Settlement itself in the upcoming hearings and subsequent open meeting.

Sincerely,

Greg Patterson  
AzCPA Director
